FLYING PERFECTION

cavalon

The on-board experience

Entrancing and captivating – whichever way you look at the Cavalon, it is a magnificent machine. From its distinctive Gull-Wing doors, to the ergonomically designed and crafted interior, it simply looks right. The generous panorama windows are not only elegant in design, they are functional too, offering a stunning view. A new era has started and we can enjoy the skies side by side.

reddot design award : product design

The AutoGyro Cavalon has been awarded with the reddot. This high-value award is an internationally recognized quality seal which proves the sophisticated and innovative design of the Cavalon.
